

- Have pre-SAMHSA Site Visit conference call during the retreat on 7/21
 - “What are the issues? What do you want us to take to SAMHSA?”
 - A ‘listening hour’
 - Let’s do a FB Live conference call – then people can comment
- Announcements
 - No stipends over 8 hours
 - Invite will go out about retreat very soon

Strategic Planning

Strength – big group of passionate and knowledgeable people

Purpose – Narrow our focus, and make sure we are hearing everyone’s voice

R.D. System change – supporting others in community – better outreach and engagement

Public Policy

Trainings for community members interacting with youth

Reflective and Representative – frequently check in with people we serve

Specifically serving rural communities

Serving the needs of those with multiple disabilities

Regular orientation to YFSC

Policies – Interagency Cooperation

- Family Support

Preparations for transition, particularly foster care

- Underserved populations – foster care, disabilities, minority populations
- Transition – out of services
- Transition – to adulthood – Connected by 25 (Empower foster youth transitioning)
- Transition – between services

Easier for families to have input on services, providers, and complaints – empowering families

Families to know how to access services

Governance Board – losing our “buy in” – ensuring on-going participation

PRTF – standards set by DCS

DCS Ombudsman – funded and regulated by DCS – more independent

YFSC more organized – non-profit status?

Increase Family and Peer-led services and supports
